ABSTRACT

This report, based on 1969 photography, updates the previous basic reports on Hai-yen Thermal Power Plant Hsing-lung-chuang and Ta-tung Thermal Power Plant Chiao-tou, the two major electric power plants in Tsinghai Province, central China. The cutoff date for information in this report is March 1970.

No construction or dismantling has been observed at either plant since the previous reports. On the latest coverage, both plants were in operation.
